

KATAYE DESIGNS

INDUSTRIAL DESIGNER

EDUCATION

Arizona State University

Bachelor of Science in Design | Industrial Design
Minor in Sustainability
Arizona, 2020-2024

Bellevue College

Associates in Arts & Sciences - With Distinction
Washington, 2018-2020

PROJECTS

Steelcase Education Collaboration | 2023 - Present

Researched classroom dynamics in student driven education. Located product opportunities for students and instructors in STEM. Produced concept sketches, SOLIDWORKS models, BoM, and tested physical prototypes for Steelcase.

Fabrication of Props and Costumes | 2017 - Present

Translated digital proportions to real life. Sketched templates then assembled models via 3D printing, EVA/insulation foam, plastics, or wood. Sewn garments by hand and machine.

Möwbox | 2022

Researched and interviewed for market opportunities in cat care. Developed concepts addressing accessibility needs for cats and owners in pet maintenance. Produced 3D models, in-context renders, and physical prototypes.

WORK

AMC Theaters

Crew Member / Bartender | Arizona 2022 - Present

Assisted guests with ticket, snack, or alcoholic drink sales. Ensured guests are satisfied by providing a clean, and disturbance free, movie-going experience.

Fuego

Keyholder | Washington 2018 - 2020

Assisted customers with sales, returns, cross-store deliveries, and complaints. Led opening and closing of store front as well as handled nightly deposits.

TripAdvisor

Content Media Intern | Massachusetts 2017

Reviewed and approved content submitted by users of TripAdvisor. Assisted other departments in creating and organizing macros for the fraud team. Partook in tests for machine learning.
